

PAL IS HIRING!

On-Call Seasonal Archaeologists

PAL seeks experienced archaeologists for 2021 projects throughout the Northeast. To be considered for a position applicants must have:

- An undergraduate degree in archeology, anthropology, or closely-related field;
- Previous CRM experience in the northeastern United States;
- Ability to travel without restriction Monday through Friday with occasional weekend work required;
- Ability to wear personal protective equipment consisting of safety glasses/goggles, hard hats, and gloves (to be supplied by PAL);
- Field boots that meet nationally-recognized safety standards (currently ASTM 2413 with electric hazard protection);
- A valid driver's license and the ability to safely operate a company vehicle; and
- Ability to pass a background check if required by clients

Upcoming projects consist of local and per diem work; project assignments typically are based on the applicant's place of residence.

Pay rate commensurate with experience.

Qualified applicants should submit a resume to: oadmin@palinc.com and include the word *Fieldwork* in the email's subject line.

This job posting is also available on PAL's website:
